Conference party

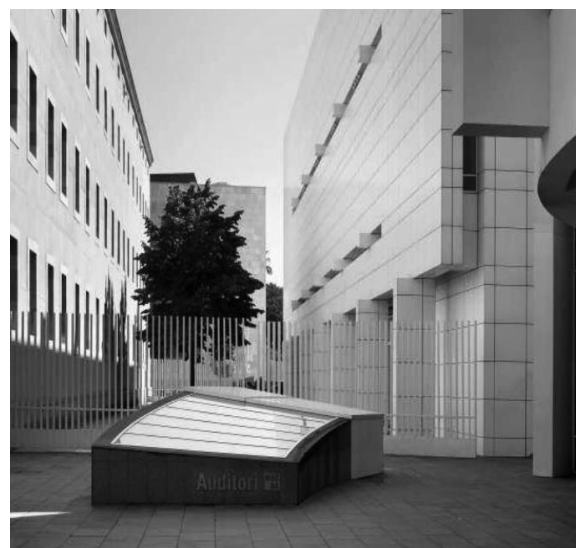

Museu Marítim de Barcelona

Directions to Museu d'Art Contemporani de Barcelona

We will be using three rooms in the **Museu d'Art Contemporani de Barcelona**: **Auditorio Meyer** (where also some panels and roundtables will be), **Aula 0** and **Auditorio del Convent** (where some events will be). These are located at different entrances to the Museum, see below:

To reach the museums, the easiest path is to cut across CCCB once you cross the street from the main university building (Facultat de Geografia i Història). Once you come to the other side of the courtyard, the building on your right has two of the rooms: Meyer and Aula 0. Aula 0 is simply through the main entrance. Indicated by the top red circle, is the entrance to the Meyer: this is entered from just outside the building, going down some stairs as pictured here.

Convent dels Angels and Auditorio del Convent.

Convent dels Angels is a separate building, which will have the Auditorio del Convent.

How to get to Convent dels Angels

If you walk around the main building you will reach the Paca dels Angels square, where you will see the Convent dels Angels.

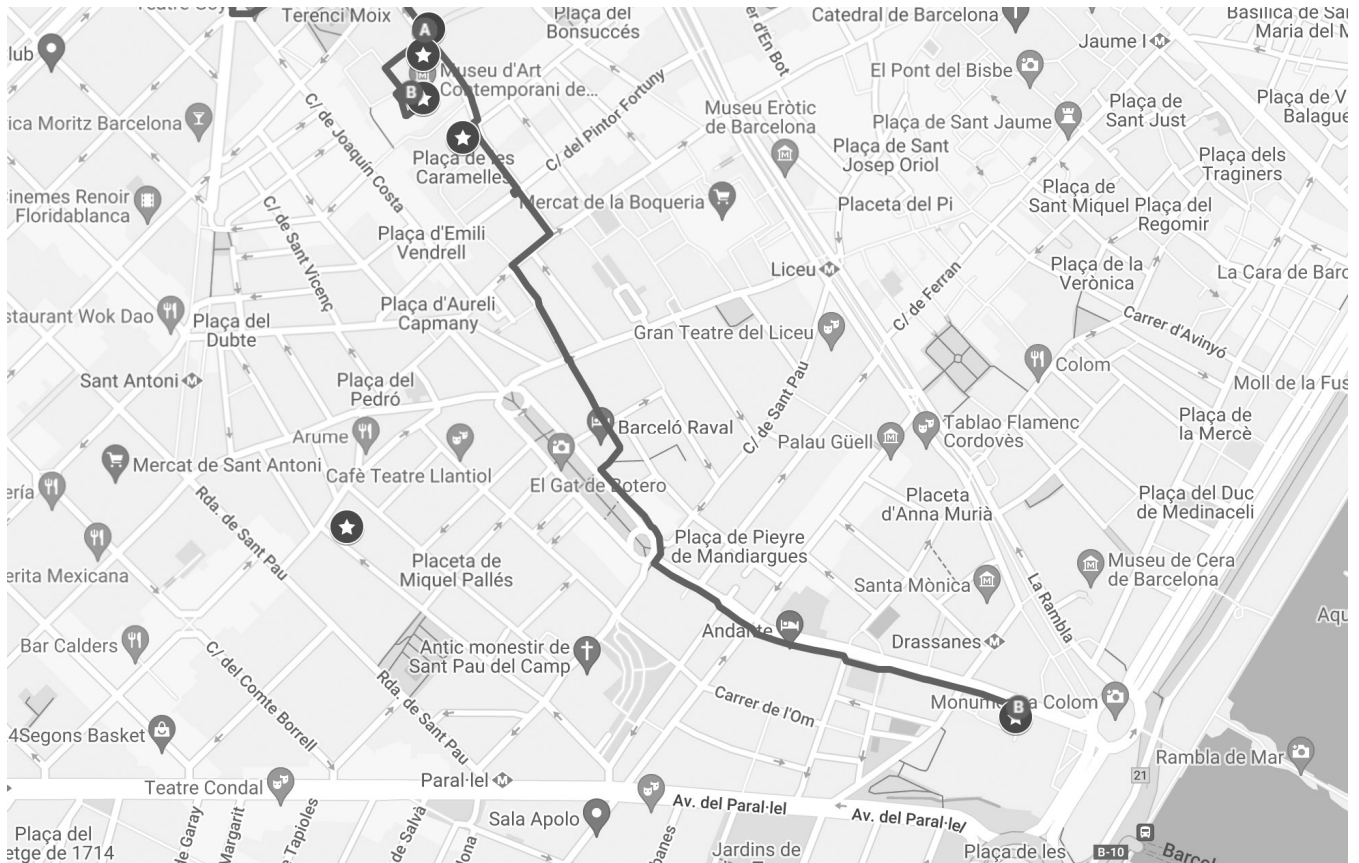

Directions to Facultat de Filologia

The second conference building hosts panel sessions, as well as a coffee break catering each day. It is around a ten minute walk from the Facultat de Geografia i Història:

If you are using google maps, please use Carrer d'Aribau as your marker, rather than the official marker for the faculty: that section of the university is large and you can spend some time walking around if you enter from the big entrance through the older building. Following the path we have traced here is the straightest and easiest way.

Directions to Museu Marítim

The way to the Museu Marítim de Barcelona takes 18 minutes at a brisk walk, or 16 minutes via public transport, 11 minutes in the car.

The Metro takes you very close if you walk 10 minutes to Plaça de Catalunya stop and come out at Drassanes:

Minibus transfers from the Faculty to the Museum for those less able to walk depart:

23/7, 18:30; return 21:30

24/7 16:30; return 19:30

25/7 14:30; return 21:30

26 /7 14:30; return at 16:30 and 17:00

26 /7 20:30; no return (conference party)
