

## QUICK REFERENCE: 'GETTING THERE'

Welcome to Milan, the campus of Università degli Studi di Milano-Bicocca and to EASA2016, the 14th EASA Biennial Conference "Anthropological legacies and human futures"!

The 14th EASA Biennial Conference will take place in a number of buildings in the spacious UniMIB campus, using the rooms (*aule*) in *Edificio* U6 and U7 (Via Bicocca degli Arcimboldi 8) for panel sessions, labs and multimedia presentations, U4 and U2 (Piazza della Scienza) mostly for Labs and U12 (Auditorium at Via Vizzola 5) for the main film programme. The Reception desk, NomadIT office and the book exhibit are all located in U6 (Piazza dell'Ateneo Nuovo 1). All the buildings in use have been marked on the venues map in this PDF; for a more detailed view of the map, please visit the conference [Travel](#) page.

### How to find Università degli Studi di Milano-Bicocca (Piazza dell'Ateneo Nuovo, 1, 20126 Milano, Italy)

#### From Airports

From **Milano Linate**: take Bus no 73 in the direction of S. Babila. At the final stop (S. Babila) exit towards the Metropolitana (subway) station, take line M1 to the Precotto stop. From the Precotto subway station, take Tram 7 (in the direction of Lagosta or Testi/S.Monica) to "Arcimboldi Ateneo Nuovo" (2 stops).

#### From **Milano Malpensa**:

1) take the shuttle train Malpensa Express to the Cadorna Station (runs every 30 min from 7.45 am). For further information, please visit the Trenord website site [www.trenord.it](http://www.trenord.it). From the Cadorna Metropolitana station take the subway M1 (direction Sesto 1° Maggio F.S.) and get off at the Precotto stop. From the Precotto subway station, take Tram 7 (in the direction of Lagosta or Testi/S.Monica) to "Arcimboldi Ateneo Nuovo" (2 stops).

2) Take the Malpensa shuttle bus to the Central train station (Stazione Centrale), then either get on Bus no 87 (direction Bicocca), get off at Teatro Arcimboldi OR get the metropolitana M3 to the Zara station and change to M5, ride till the Ponale station.

From **Bergamo (Orio al Serio)**: you can take the Orio Shuttle or Autostradale to the Central Train Station (leaving from Orio every 30 minutes and arriving at Central Train Station in about 60 minutes, delays might occur due to traffic), follow the directions as indicated above for the Central Train Station.

#### By Train

The UniMIB buildings U1, U2, U3, U4 are all very close to the **Milano Greco Pirelli station** (serviced by the Passante train suburban line S9). U6 and U7 buildings are also close; when exiting the station, cross the street and you will see the Arcimboldi theatre on

your left. Walk along Via Ettore Fieramosca till you see U7.

For further information, visit the Ferrovie dello Stato website (Italian Railways) [www.trenitalia.it](http://www.trenitalia.it) and Milan [public transport ATM website](#) or download the ATM Milano Official App from [Play Store](#) or [App Store](#).

### **University of Milano-Bicocca by car**

From the Torino-Venezia motorway, take the "Milano-Viale Zara" exit and head towards the city centre. Pass the sign indicating the Town border (Comune di Milano) roughly where you can see the "StarTourist" Hotel on your left. Take Viale Sarca (first street parallel, on your left, to the one you are on). After about 1 km along Viale Sarca you will reach the university campus. There are adequate parking facilities available for students and visitors.

### **Taxis**

Taxis in Milan, as everywhere in Italy, are expensive and easier to get from a taxi rank (in Stazione Centrale, Cadorna Northern train station, Corso Buenas Aires, Piazza del Duomo etc) than to hail on a street. The meter begins when the taxi leaves to pick you up. Several taxi companies serve Milan:

Autoradiotaxi +39028585; Yellowtaxi Multiservice +39026969; Taxi Blu+39.02.4040; +39028383; +39026767; Radio Taxi Freccia +39024000; eTaxi +39025353; Taxi Malpensa 800911333

Taxis for travellers with mobility/adaptive equipment can be booked via Radiotaxi +39 02 4040.

### **What to do when you have arrived?**

We recommend going first to your accommodation, leaving your luggage and only then coming to the venue at a time when the reception desk is open (opens at 12:00 on Wednesday July 20<sup>th</sup> and at 08:30 on all other conference days).

Once you've reached UniMIB and located U6 where the Reception desk is, the student volunteers will check if you have registered and paid your conference fees, and if all is in order, they will hand you your book and badge. You can then go on to enjoy the conference. If the reception desk finds any financial discrepancies in your record (membership or conference payment), you will get to stand in yet another stifling queue, at the NomadIT office in U6-10 (and then once again at the Reception desk once your payment's been sorted...). Please remember that you can only pay in cash (euros)!

There are two panel sessions on the opening day, followed by the Keynote and opening in Aula Magna (U6). As Aula Magna houses ~900 people, the remainder of the crowd will be able to participate from 2 streaming locations U6-4 (Aula Martini) & U4-8 (Aula Sironi).

## **Reception desk and NomadIT office opening times**

The Reception desk, staffed by volunteers in white EASA2016 T-shirts, will be located in the ground floor foyer of Edificio U6 (Piazza dell'Ateneo Nuovo 1), close to the entrance and the Book Exhibit. Reception desk opening hours on all days will be: Wed: 12:00-18:30; Thu: 08:30-17:30; Fri: 08:30-19:00; Sat: 08:30-17:00.

NomadIT office opening hours: Wed: 12:00-15:00; 15:30-18:30; Thu: 08:30-11:30, 11:45-13:15, 13:45-16:00, 16:15-18:00; Fri: 08:30-11:30, 11:45-13:15, 13:45-16:00, 16:15-19:00; Sat: 08:30-11:30, 11:45-13:15, 13:45-17:00

## **WiFi**

Eduroam wireless internet is available in the University of Milano-Bicocca. If you do not have access to Eduroam, you will be able to connect to the Unimib-Guest WiFi network or the Eduroam by using temporary personal credentials emailed to you prior to the conference (and the Reception desk can also tell you your credentials). These credentials expire on July 24th. Username and password are sensitive data, please treat them accordingly.

WiFi will probably be slower in the mornings when everyone arrives at the venue and logs in from their many devices. Please try to keep surfing to the minimum while sat in panel sessions, as your presenting colleagues may need to use wifi for their presentations...

## **Conference banquet**

The optional conference dinner on the evening of Saturday 23 July (price €50) has sold out (please visit the NomadIT office in U6-10 if you wish to trade your ticket!). The dinner will be a three-course sit-down meal with wine, taking place in Triennale di Milano, Viale Emilio Alemagna, 6, 20121, Milano. The dinner will start at **20:30**, so if you arrive early, have a look around in the building (it's a museum).

## **Book exhibit**

There will be a Book Exhibit in U6 Foyer alongside the catering space, where delegates are invited to browse the titles, and talk to the publisher representatives of Alexander Street Press, Berghahn, Bloomsbury, Cambridge University Press, Combined Academic Publishers, Lit Verlag, Max Planck Institute for Social Anthropology, Max Planck Institute for the Study of Religious and Ethnic Diversity, Pluto Press, Sean Kingston Publishing & Publishing Services, Routledge, Taylor & Francis Group, Verlag der Österreichischen Akademie der Wissenschaften and Wiley. The Book Exhibit opening hours will be: Wed 13:00-19:00; Thu 09:00-17:00; Fri 09:00-19:00; Sat 09:00-14:30.

## **Emergency contact details**

During the Conference, emergency messages should be sent to [conference\(at\)eesaonline.org](mailto:conference(at)eesaonline.org). There is a message board for delegates at the Reception

desk. A representative of NomadIT can be contacted in emergency situations on the Italian cell/mobile number +393317396176 or UK cell/mobile +447866 425805.

### **Making use of your portable device**

Given that the programme inevitably changes after we go to press, we suggest using your mobile device to check the conference website:

<http://www.easaonline.org/conferences/easa2016/index.shtml>

If you find the printed book a little inconvenient to carry around, we recommend downloading the [PDF](#) or [EPUB](#) versions.

### **More information**

The timetable, the panel session grid and two versions of the campus map follow. Full information will be in the conference programme which you can collect from the reception desk along with your badge.

On behalf of the local organisers and the EASA exec I would like to thank you all for joining us and ask you to take a moment to consider that with 1700+ registrations, this will be the biggest EASA conference ever. Please accept that there will be a certain degree of chaos and over-crowding; please head calmly to the streaming rooms if the Aula Magna has filled up by the time you arrive for the keynote/plenaries; opt for a different catering point if the one you've picked has too long a queue etc. In a world that appears exceedingly selfish and aloof, let us choose to be kind to one another.

Travel safely!

Yours,

Triinu – with Darren, Elaine, James, Ro and Sammy (NomadIT team)
