

QUICK REFERENCE: 'GETTING TO EASA2018'

EASA2018 will take place at Stockholm University in the 'Frescati' area just north of Stockholm city stretching from the Bergius Botanic Garden in the north to Sveaplan in the south. The 15th EASA Biennial Conference spreads over two main locations in Frescati: Aula Magna (address: Frescativägen 6), and Södra Huset (Frescativägen 10, Houses A-F).

Reaching Stockholm University from the airport

You need to first find your way to Stockholm Central Station where T-Centralen is located. T-Centralen (Swedish for 'T-Central'; T being an abbreviation for 'tunnelbana', the Swedish word for 'underground' or 'subway') is the metro station that forms the heart of the Stockholm metro system, where all of the system's lines meet. It is connected by a pedestrian underpass to the neighbouring Stockholm Central Station across Vasagatan (for national and regional trains) and to the Cityterminalen long-distance bus terminal – so no matter which mode of public transport you prefer, you should be able to reach T-centralen easily enough.

- There are a number of airports in the wider Stockholm area and all are well connected with Stockholm via various modes of public transport
- There are regular airport coach services, as well as local buslines running between the airports and Stockholm central station: see info on [Arlanda](#), [Skavsta](#), [Västerås](#) and [Bromma](#).
- There is also a fast train service called [Arlanda Express](#), which runs between Arlanda and the central station in Stockholm.

Taxis are generally available outside of the airport building, or they can be booked in advance. Uber functions in Stockholm as well. Taxis are expensive! (See taxi numbers below.)

Onwards to Stockholm University by public transport, once you've reached the Central station:

Underground trains

You can travel by the metro (underground/tube) from T-centralen. Take the red line northbound to Mörby Centrum and get off at the station 'Universitetet'. The journey takes about 10 minutes (see the metro map [here](#)). Consult the map on the [conference website](#), or the one appended to find your way from the metro station to the university.

Bus

Take bus numbers 50, 540, 608 and 670 to the University from Cityterminalen (get off at 'Universitetet norra' for the main campus). Plan your journey [here](#). Consult the map on the [conference website](#), or the one appended to find your way from the bus stop to the university.

Tickets for riding on public transport

Tickets for buses, underground trains, commuter trains, trams and certain ferry lines in Greater Stockholm can be purchased at Pressbyrån (newsagent kiosks), SL Centers (SL means Stockholm Local traffic), underground ticket booths, via SMS or via the SL app. **YOU MUST BUY YOUR TICKETS BEFORE YOU BOARD. It's not possible to pay for tickets on board buses or trains in Stockholm.** Failure to show a valid ticket during a control results in 1200 SEK penalty.

A single ticket is valid for 75 minutes and costs 44 SEK (31 SEK if you use a prepaid SL Card instead). It's also possible to buy 24 hours, 72 hours and 30-day tickets. A parent with a stroller gets to ride for free on any of Stockholm's busses.

Also the official travel planner app of SL is one of the handiest apps to download. Plan your excursions around town, discover alternate routes and see which connecting buses or trains you need to take. You can also use the app to buy your tickets. The SL app is free and available for both iOS and Android phones.

Taxis and rideshare

There are many taxi companies to choose from in Stockholm. Again, do not rely on cash! Credit cards are readily accepted, and sometimes required.

NOTE: Taxi prices are not regulated in Sweden; they may vary greatly. It is the customer's responsibility to check prices beforehand. Check the price on the yellow-and-white label (pictured in the right corner above), which is usually on the rear door window, before entering the vehicle. The unit price of most taxis ought to be between 290-390 SEK.

The price on the yellow label is based on a 10km or 15-minute journey. The price indicated on the taximeter is in Swedish kronor. For trips to and from Stockholm Arlanda Airport, the major taxi companies have fixed prices of between 450-550 SEK. Always ask the driver beforehand. In addition to the major taxi companies, there are several independent firms; caution is advised.

You can easily get hold of a taxi by calling a taxi company, hailing one on the street or by taking one from a rank. A staffed taxi centre at Central Station can help find the right service, e.g. if you need child seats in the vehicle.

Several of the big Stockholm taxi companies have a very high proportion of eco-vehicles. A new rota system gives priority to cabs with low carbon emission levels.

Some taxi numbers:

Taxi Stockholm 08-15 00 00

Taxi Kurir 08-30 00 00

Sverigetaxi 020-20 20 20

There are also taxi apps - free to download but booking a ride is of course not: Taxi 020, Taxi Stockholm and Taxi Kurir (all available for iOS and Android). Uber works in Stockholm and tends to be cheaper than taxis.

Finding your way on Stockholm University campus

Aula Magna houses the Auditorium that will be the venue for plenaries and the opening keynote, as well as a number of group and seminar rooms. The Reception desk and NomadIT office will be located in Aula Magna and some of the panels will take place there.

Södra huset consists of six tall buildings, named using the letters A-F. Most of EASA2018 panels, labs and network meetings will take place in the various houses of Södra Huset. On the third floor will be the space for catering (lunches and coffee breaks), the Book Exhibit and book launches. All large lecture halls (called 'Hörsal') are also on the third floor.

Deciphering room locations: in the panel timetable, all rooms starting with SÖ are in Södra Huset. The code following SÖ in the room number indicates the building and the floor: e.g. SÖ-D207 is in building D, on second floor. 'Hörsals' are all on the third floor of the Södra huset. Their number indicates the number of the room (not floor). For example, Hörsal 5 (B5) is in building B, third floor, the large lecture hall number 5.

What to do when you have arrived?

We normally recommend going first to your accommodation, leaving your luggage and only then coming to the venue at a time when the reception desk is open. However, as this EASA conference has a far earlier start than previous ones (Reception desk opens from 08:30 and the first panels sessions begin at 10:30), you may not have enough time to check into your hotel first. Please ensure you check your panel's start time from the [panel pages](#) and acquaint yourself with the rest of the programme as well, to avoid missing out on things you'd have wanted to participate in: there's the [HAU-debacle-inspired discussion](#) at 12:15 on the opening day, the [keynote](#) begins already at 15:30 and the special buses will leave for the [Welcome drinks reception](#) at Stockholm City Hall (see the general daily [timetable](#), all events and meetings [descriptions](#), the panels in chronological order [here](#)). Both [labs](#) and [films](#) will also commence on Tuesday at the same time as the panel sessions, continuing with full programmes throughout the event (note the need to pre-register to [most labs](#)!)

Once you've reached Aula Magna and located the Reception desk (ground floor foyer of Aula Magna building), the student volunteers will check if you have registered and paid your conference fees, and if all is in order, they will hand you your book and badge. You can then go on to enjoy the conference. If the reception desk finds any financial discrepancies in your record (membership or conference payment), you will get to stand in yet another agitated queue, at the NomadIT office in the room *Receptionen* (and then once again at the Reception desk once your payment's been sorted...). Please remember that you can only pay in cash (euros) and we will add €20 to the bill of all paying on the door!

Reception desk opening hours

Tue: 08:30-16:30, Wed: 08:30-17:00, Thu: 08:30-17:00, Fri: 08:30-16:15

NomadIT office opening hours: Tue: 08:00-11:45, 12:15-16:30; Wed: 08:30-11:30, 11:45-13:15, 13:45-17:30; Thu: 08:30-11:30, 11:45-13:15, 13:45-17:30; Fri: 08:30-11:30, 11:45-13:15, 13:45-16:30

The Welcome drinks reception on Tuesday, August 14th

This will be hosted by the City of Stockholm and held at Stockholm City Hall at 19:00-20:30. Pre-registration was required for the drinks reception, as well as the buses taking delegates to the City Hall from Stockholm University. As we have now reported the names and numbers to the City Hall, we unfortunately cannot accommodate any further requests to be added to the guest list.

As moving 1500 delegates around a big European capital is a formidable project in itself, the whole operation must run with military precision – we cannot make exceptions or wait for latecomers. Volunteers will guide delegates from the Keynote lecture to the buses in the parking lot near the conference venue. Buses leave at 18:00 **sharp**. If you are going to City Hall by other means, please note that the reception starts at 19:00 **sharp**.

WiFi

Eduroam wireless internet is available at Stockholm University. If you do not have Eduroam credentials, a temporary username/password will be emailed to you prior to the event, but it can also be obtained from the Reception desk to access a guest network.

Catering

All conference catering will endeavour to be mindful of the dietary requirements you have indicated when registering for the conference (vegan, vegetarian, food allergies) and food will be labelled accordingly.

Conference registration includes coffee/tea during two refreshment breaks on each day except Tuesday (which has just one) and lunch on all four conference days. **Lunch and refreshments are offered to delegates in the third floor foyer space of Södra Huset.**

We kindly request you to be mindful that with over 1500 participants, the conference challenges the capacity of the venue and all the services offered. Please remain patient and respectful with one another, the conference team and the caterers.

Farewell dance

While we have just ten tickets left for sale for the [Farewell dinner](#) on Friday (we will neither exchange nor reimburse tickets - sorry!), we'd like to invite delegates to buy tickets to the [Farewell party](#). The final dance party will be held in the same venue as the conference dinner, following the dinner: Norra Latin, City Conference Centre Stockholm, (address Drottninggatan 71B, but if you arrive by taxi the address is Barnhusgatan 7A). For those of you who prefer to come only to socialize and dance, the doors at Norra Latin, City Conference Centre Stockholm, will open at 21:00, and we'll be selling the 12 EUR tickets throughout the conference at the NomadIT office, but also at the door at the event.

Emergency contact details

During the Conference, emergency messages should be sent to [conference\(at\)easaonline.org](mailto:conference(at)easaonline.org). I can be contacted in emergency situations on +447482613951. The number for all emergency services in Sweden is 112.

Making use of your portable device

Given that the programme inevitably changes after we go to press, we suggest using your portable device to check the conference website. If you find the book a little inconvenient to carry around, we recommend downloading the [PDF version](#). Conference news will be posted from EASA Facebook (<https://www.facebook.com/EASAINfo>) and Twitter (@EASAINfo) accounts - so make sure you like/follow those. The conference hashtag is [#EASA2018](#).

The special [FB event page](#) for EASA2018 will also feature news and any spontaneous activities.

Safe travels – see you soon!

Yours,

Triinu – with Elaine, James, Ro and Saskia (NomadIT team)
