Where and when to go to reception

The conference reception desk is in the foyer of the Building B. Please visit the reception desk to collect your conference programme book and conference badge. It will be open at the following times: Tues: 12:30-18:50; Wed: 08:30-18:30; Thu: 08:30-18:30; Fri: 08:30-16:30.

Wireless internet for those with their own laptops/gadgets

Campus access (not in plenary hall) from 9th-13th via WIFIUPX-PORTAIL-WEB network; login as username: *easa2012* and password: *easa092*. Ask at our reception desk if you have problems. Use of the wireless network signifies acceptance of the rather stringent terms of the charter, a copy of which is on the EASA site and in hard-copy at the reception desk in case you wish to read it. Essentially you should take all sensible safety precautions, do nothing illegal, **PLUS you may not use Skype**. EDUROAM is also present.

Internet for those without laptops

You may make use of computers in the University Library. Its opening hours are 9:00-18:00.

Printing

If you need to print your finished paper, this can be done in Room DD402 of Building D, which is open from 09:00 to 18:00. We ask you to show restraint in your use of this service, and only print for your own use, and not for distribution to those attending workshops. If colleagues wish to have a copy of your paper, please email them a digital version.

What to do with the wifi? Search, post and tweet!

If you're online use the search box atop the [EASA site](#) to locate references to particular people or topics - this is one way of tracking down workshops of interest, and far easier than leafing through this book of abstracts. Or use the the search facility on the Author page to locate the workshops of specific colleagues, you might find the list at the back of this book a little quicker.

We will be posting news/updates via [Facebook](#) and on [Twitter](#). Do contribute, using #EASA12 for your tweets.

Need to get cash out of your bank?

There is an ATM/cash machine on the campus opposite the entrance to Building B. If that isn't in service, there's another in the RER station, 5 minutes away.

Emergency contact details

Emergency messages should be sent to conference@easaonline.org. There will be a message board for delegates at the reception desk. Rohan Jackson, the conference organiser, can be contacted on French cell/mobile +33 673270720.

The French emergency services number is 18.
