## About the event

*Seven months to the beginning of the current surge of violence in the Middle East, and on the backdrop of the ICJ ruling and expanding protests in campuses, we invited Dr. Amahl Bishara, Prof. Ghassan Hage, Dr. Areej Sabbagh-Khoury, and Prof. Neve Gordon, to reflect on the situation and the question of violence and decolonization.*

*This roundtable is organized by the Anthropology of Peace, Conflict, and Security network of the European Association of Social Anthropologists (APeCS)*
