

A new book have been published:

Imre Lázár Dance of the Avatar : Embodying Gender and Culture through Dance

Nova Science Pbl. New York

"Dance of the Avatar" is a comprehensive work and includes cultural studies and anthropology of revival movements from a historical perspective; it is focused on the Dance House phenomenon, which includes gender and ethnic aspects from a cultural and medical anthropological context. This book deals with the theory of tradition and cultural transfer of heritage through pedagogy and counter-culture movements, with an emphasis on the the Wundtian contribution and its Hungarian counterparts. The Dance House phenomenon is presented through an auto-anthropological perspective, including the author's field work results.
